Actuaries

Currently we have **4 (four) actuaries** who have had significant experience in multinational life insurance & consulting companies, where they have been trained actuarial knowledge and skill with international methodology.

Our Chief Actuary, **Ms. Riana Magdalena, SSI, FSAI**, is a full-fledged actuary who has had over 11 years experience in actuarial field and has spent most of her career path in multinational joint-ventures life insurance companies. She also has had the experience of signing off over 200 reports on actuarial calculation on estimated liability for severance & gratuity pay. She is currently a member of Pension Committee in Society of Actuary of Indonesia.

Consultants

We also have **4 (four) more-junior consultants** who have had several years experience in employee benefit valuation areas.

We are committed to having only the best people and developing and training our people as we believe that only through skillful staff can we produce value-for-money service to our clients.
